OBJECTIVE

Motivated IT student with a Higher National Diploma in IT from SLIATE, specializing in web development and e-commerce applications. With hands-on experience in building a successful e-commerce website and a strong interest in UI design, I am eager to apply my skills and knowledge in a challenging internship. Seeking to contribute to a forward-thinking team, gain practical experience, and further develop my technical abilities in a dynamic work environment.

PROJECTS

E-commerce Web Application for Home Decor Items

Personal Project

- Technologies Used: HTML, CSS, JavaScript, PHP, MySQL
- Developed a comprehensive e-commerce web application for home decor items, including modules for product listings, shopping cart, and user authentication.
- Implemented a user-friendly interface using HTML and CSS, ensuring smooth navigation and an aesthetically pleasing design.
- Used PHP and JavaScript to handle dynamic content, form validation, and interactive features.
- Designed and managed the MySQL database to securely store product information, user accounts, and order history.

E-Commerce Website (Clothing)

Personal Project

- Technologies Used: Wix.com
- Developed a comprehensive e-commerce website for clothing fashion with product browsing, customer orders, and inventory management.
- Created an intuitive UI using Wix.com's drag-and-drop builder for smooth navigation and efficient order placement.

- Managed customer information, order details, and inventory using Wix's integrated tools.

Personal Portfolio Website
- Technologies Used: HTML, CSS, JavaScript
- Developed a personal portfolio website to showcase projects and skills.
- Implemented responsive design principles to ensure compatibility across devices.
